What are your Top Tips?

"**Never**, ever **quit**. Be **patient**, set targets and be **honest** with yourself and others. Work with **heart** and help many others to change their lifestyle. If you help others to be **successful** in the business, then your **dreams** can come true."

What led you to start your own business?

"We started out in Direct Selling to earn some extraholiday **money** for us and our two girls. We want to give our family a safe life without any financial worries. We want a **lifestyle** we don't need a vacation from!"

Why b:hip?

"In May 2015 we were introduced to B:HIP and their compensation plan. We could see that by making extra effort and helping enough other people achieve their **dreams** that we could also achieve ours. B:HIP have **great products** and our customers **love** them. We love the **positive energy** when we spend time with other people from B:HIP from all over the **world**."

“Help others to be
successful in the
business & never
ever quit!”

How has your life changed so far?

"We have the **freedom** to work **when** and with **whom** we choose. We are a part of something bigger than ourselves and we know already that **we have made a difference** in so many people's lives."
