Top Tips

"Show up **every day** and attend every event that **B:HIP** is hosting, talk to people and **invest in yourself.**"

What led you to start your own business?

"I didn't want to **work for someone else** and be **controlled** my whole life. My dad has his **own business** and I would help him when he needed it, which I liked, but I started to think about working for someone else **8 to 12 hours** per day for the **next 40 years** and I just knew it was not my way of living. I heard about **B:HIP** and grabbed the **opportunity.**"

Why B:HIP?

"**B:HIP** is the first **Direct Selling** company that I had contact with and I had not even heard of this industry before. I was initially interested in the **earning potential** but also the **energy** that I got from the distributors and my mentor. I **trusted** my mentor from the moment I met him."

How has your life changed so far?

"The more **time** I spend with my team, the more I feel like they are **family**, they **keep me going**, they **motivate** me and **push** me. If I fall they **pick me up** and they are some of my best friends. As time has passed, I have realised that I have this, not only from my **Slovenian team**, but from all over the **World**, because I joined **B:HIP**. I have **lost a lot of negativity** and **gained positivity**. **B:HIP** has given me a chance **to dream** and the chance to reach and **live my dream.**"
