

MOL&B
COPENHAGEN

Mol&B Copenhagen is an exclusive skincare product line developed by registered nurse Tina Maria Madsen and Robin Madsen in close cooperation with dermatologists and skincare experts in a European laboratory.

Their goal is to develop a unique and uncompromising Danish beauty concept based on carefully selected, strong natural and active ingredients of the highest quality. The result is a line of nourishing skincare products that are extremely effective - without compromising the environment or the health of your skin.

All Mol&B products are dermatologically tested and contain no parabens or allergenic perfume and were not tested on animals.

GENTLE SKIN CLEANSER

*Purifying & Refreshing
with Organic Rose Hip Seed Oil*

Mol&B Gentle Skin Cleanser is a non-foaming gel cleanser that gently removes makeup, oil and dirt from the skin without drying it. The skin is left fresh and clean, and prepared for your favorite cream. Gentle Skin Cleanser is enriched with Vitamin B3 and Provitamin B5 including nourishing Macadamia Oil and Organic Rosehip Seed Oil.

Suitable for all skin types.

INGREDIENTS:

- **Niacinamide (Vitamin B3)** - helps skin to retain moisture, prevents hyperpigmentation, unifies skin tone and reduces acne.
- **Cold-pressed Organic Rosehip Seed Oil** - has a regenerating effect on the skin.
- **Macadamia Oil** - adds suppleness to dry, mature and sun-challenged skin.
- **Glycerine** - helps to maintain skin's moisture levels.
- **Panthenol** - calms the skin.

REFRESHING SKIN TONER

Soothing & Purifying

with Organic Rose Hip Seed Oil

Mol&B Refreshing Skin Toner is an alcohol-free toner for dry skin that refreshes, softens and soothes the skin without drying. It gently cleans the skin from impurities and leaves it with a soft and silky smooth feeling.

Refreshing Skin Toner is enriched with a natural complex of moisturizing and humectants ingredients from Hydroveg® VV as well as nourishing and soothing Allantoin and Panthenol. Contains Organic Rosehip Seed Oil.

Suitable for all skin types.

INGREDIENTS:

- **Hydroveg® VV** - a powerful and hydrating complex aimed to retain skin's moisture balance and correcting skin dryness.
- **Allantoin** - helps to improve skin's moisture retention. Has a softening and soothing effect.
- **Cold-pressed Organic Rosehip Seed Oil** - has a regenerating effect on the skin.
- **Glycerine** - helps to maintain skin's moisture levels.

INTENSE MULTI-FUNCTIONAL BODY & FACE OIL

*Regenerating Luxury Body & Face Treatment
with Organic Rosehip Seed Oil*

Mol&B Intense Multi-Functional Body & Face Oil is a light non-greasy oil that is quickly absorbed by the skin and makes it soft, supple and silky smooth. The oil helps retain skin's own moisture all day. The highly nutritional oil contains 50% cold-pressed concentrated Organic Rosehip Seed Oil, that is not only bursting with beneficial fatty acids, but is also naturally rich in anti-aging ingredients like Retinoic Acid (a derivative from Vitamin A).

Rosehip Seed Oil is known for its extremely regenerative and rejuvenating properties of the skin and is also suitable for sun-damaged skin, stretch marks and very dry skin. Moreover, it enhances the skin's firmness and elasticity.

INGREDIENTS:

- *Organic Rosehip Seed Oil*
- *Macadamia Oil*
- *Grape Seed Oil*
- *Almond Oil*
- *Argan Oil*
- *Sunflower Oil*
- *Tocopherol*

*Contains no synthetic colours,
preservatives or silicone.*

VISIBLE FACELIFT

*Instant Lifting Gel Cream
with Organic Rosehip Seed Oil*

Mol&B Visible Facelift is an extremely effective anti-aging cream with an immediate lifting effect that gives a younger appearance and boosts the skin's vitality. It contains Gatuline® In-Tense and Gatuline® Expression – the potent and active, natural plant extracts known to reinforce the skin's firmness and restore its youthful structure with a filler-like effect. Moreover, it blocks the muscular contractions of the face with a Botox-like effect. The skin is visibly firmer, wrinkles and fine lines are smoothed, and the contours of the face are tightened as by a surgical a facelift. The face instantly looks much firmer and smoother. This happens after a few minutes and is maintained for a long time. Moreover, the effect is increased with daily use and results in smoother, more relaxed skin. In addition, Visible Facelift is enriched with moisturizers and nourishing, cold-pressed, Organic Rosehip Seed Oil, which is quickly absorbed by the skin.

Suitable for all skin types.

INGREDIENTS:

- **Gatuline® In-Tense** – the plant extract that improves the skin's fullness and firmness with a lifting effect.
- **Gatuline® Expression** – the active plant extract with the powerful wrinkle smoothing effect.
- **Cold-pressed, Organic Rosehip Seed Oil** – has a calming and regenerating effect on the skin. Promotes skin firmness and elasticity.
- **Glycerine** – helps keep the skin moisturized.
- **Panthenol** – helps moisturize and soothe sensitive skin.
- **Olive oil** – keeps the skin moisturized and flexible.
- **Shea butter** – moisturizes and smoothes the skin.

NOURISHING FACE SERUM

*Hydrating & Lifting Face Serum
with Organic Rose Hip Seed Oil*

Mol&B Nourishing Face Serum is a light and silky moisturizing gel that leaves the skin smooth, firm and uniform with a beautiful glow. It is rich in vitamins and firming ingredients that nourish and stimulate the skin and has a preventive effect on skin aging signs. The gel contains Organic Rosehip Seed Oil, moisturizing Vitamin B3 and Provitamin B5 plus Dragosine® - a multifunctional anti-aging peptide that stimulates the collagen synthesis with an antioxidative activity.

Mol&B Nourishing Face Serum is easily absorbed, leaving the skin well hydrated, more even and smooth with a healthy and youthful radiance.

Suitable for all skin types.

INGREDIENTS:

- **Dragosine®** - the multi-functional and extremely powerful anti-aging peptide which stimulates the skin's collagen production and prevents against free radicals.
- **Hyaluronic Acid** - adds hydration and is known to promote skin's rejuvenation, firmness and elasticity.
- **Niacinamide (Vitamin B3)** - helps skin to retain moisture, prevents hyperpigmentation, unifies skin tone and reduces acne.
- **Panthenol (Provitamin B5)** - helps to calm skin.
- **Macadamia Oil** - adds suppleness to dry, mature and sun-challenged skin.
- **Cold-pressed Organic Rosehip Seed Oil** - has a nourishing and regenerating effect.

HIGH PERFORMANCE EYE CREAM

*Smoothing & Rejuvenating Eye Cream
with Organic Rosehip Seed Oil*

Mol&B High Performance Eye Cream is a light and fresh, cooling anti-aging eye cream that moisturizes and protects the delicate skin around the eyes with a firming effect and helps to reduce puffiness, wrinkles and fine lines. It has a light gel-cream texture and contains nourishing Organic Rosehip Seed Oil, Aldavine TM 5X that eliminates dark circles and prevent puffiness and sDragosine[®] that stimulates the collagen synthesis. It also contains Gatuline[®] In-Tense to strengthen the skin's firmness and restore the skin's youthful, smooth structure with a filler-like effect.

Mol&B High Performance Eye Cream is easily absorbed by the skin and helps to reduce dark circles and fine lines, leaving the eye area smoother, fresher and more youthful.

Suitable for all skin types.

INGREDIENTS:

- **AldavineTM 5X** - a natural algae complex that acts against the signs of aging, reduces puffiness and dark circles.
- **Gatuline[®] In-Tense** - the plant extract shown to improve skin density and firmness with a lifting effect.
- **Dragosine[®]** - multi-functional and extremely powerful anti-aging peptide which stimulates the skin's collagen syntheses and prevents against free radicals.
- **Hyaluronic Acid** - known to promote skin's rejuvenation and elasticity.
- **Cold-pressed Organic Rosehip Seed Oil** - has a nourishing and regenerating effect.

MULTI-FUNCTIONAL REGENERATING 24H Rejuvenating & Repairing Facial Cream with Coenzyme Q10 and Organic Rosehip Seed Oil

Mol&B Multi-Functional Regenerating Facial Cream is a restorative multi-functional anti-aging cream that provides the skin with intense moisture, care and nourishment. The cream is rich in antioxidants and active firming ingredients, which smooth and nourish the skin. It contains Rovisome™ Q10, that prevents the signs of aging even in deeper skin layers. Dragosine®, that stimulates the collagen renewal and prevents UV-damages; Niacinamide (Vitamin B3) that evens out the skin tone, prevents pigment spots and reduces acne; smoothing Shea Butter plus Hyaluronic Acid, that preserves skin's moisture, firmness and elasticity. Moreover, it contains nourishing Rosehip Seed Oil, that is bursting with beneficial fatty acids.

Mol&B Multi-Functional Regenerating Facial Cream is easily absorbed, the skin is tightened and fine lines are smoothed. The result is a soft, well hydrated, resilient complexion that glows with new vitality.

Suitable for all skin types - especially very dry skin.

INGREDIENTS:

- **Rovisome™ Q10** - the encapsulated coenzyme Q10 that works effectively against the signs of aging and smoothers out even deeper wrinkles.
- **Dragosine®** - the natural, multi-functional and extremely powerful anti-aging peptide, which stimulates the collagen production and protects against free radicals.
- **Hyaluronic Acid** - adds hydration and promotes skin's firmness and elasticity.
- **Niacinamide (Vitamin B3)** - helps skin to retain moisture, prevents pigmentation, unifies skin tone and reduces acne.
- **Rosehip Seed Oil** - has a regenerating effect.
- **Shea butter** - smoothers and nourishes the skin.
- **Vitamin E** - prevents the signs of aging.

MULTI-FUNCTIONAL ANTI-AGING

24H Firming & Lifting Facial Cream

with Organic Rosehip Seed Oil

Mol&B Anti-Aging Facial Cream is an effective and protective multi-functional anti-aging cream that provides the skin with intense moisture, care and nourishment. The cream is rich in antioxidants and active firming ingredients, which smooth and boost the skin's vitality. It contains nourishing Organic Rosehip Seed Oil, that enhances the skin's natural resilience.

Vitamin E and B3 plus Gatuline® In-Tense - an active natural plant extract that strengthens the skin's firmness and restores the skin's smooth, youthful structure with a filler-like effect. Mol&B Anti-Aging Facial Cream is quickly absorbed, the skin is tightened with more density and fine lines are smoothed. The result is a resilient, well-hydrated, soft and uniform complexion.

Suitable for all skin types.

INGREDIENTS:

- **Gatuline® In-Tense** - the plant extract that improves the skin's fullness and firmness with a lifting effect.
- **Dragosine®** - the natural, multi-functional and extremely powerful anti-aging peptide, which stimulates the collagen production and protects against free radicals.
- **Hyaluronic Acid** - adds hydration and promotes skin's firmness and elasticity.
- **Niacinamide (Vitamin B3)** - helps skin to retain moisture, prevents pigmentation, unifies skin tone and reduces acne.
- **Rosehip Seed Oil** - has a regenerating effect on the skin.
- **Vitamin E** - antioxidant that prevents the signs of aging.
